

CHATWANE

AEROWIN CTF Series

Ventilation Fans

CTF Series

CTF Series

CTF Series

AEROWIN

AEROWIN

AEROWIN

Product Description

- ❖ Saving energy
- ❖ Strong wind power
- ❖ Convenient to move
- ❖ Make low noise and light weight due to die-casting aluminum alloy.
- ❖ With good capacity, the reasonable structure and the strong suction.
- ❖ High Quality Motor & Reliable Steel body structure

Application

- ❖ It's special manufactured for underground cable maintenance, shipping making.
- ❖ Blowing bad gas when welding
- ❖ Shipbuilding, canning, bridge exhaust for fire fighting, piping
- ❖ Construction and in other violent working situation for ventilation.

Technical parameters

Model	Diameter	Voltage	Frequency	Speed	Power	Air Flow	Static	Noise
	mm / Inches	V	Hz	rpm	w	m ³ /min	Pa	dB(A)
CTF-20	200(8")	220	50/60	2800	180	25	245/295	61
CTF-25	250(10")	220	50/60	2800	300	45	295/350	66
CTF-30	300(12")	220	50/60	2800	500	65	385/450	69
CTF-40	400(16")	220	50/60	1400	500	80	300/360	68
CTF-45	450(18")	220	50/60	1400	700	110	350/410	70
CTF-50	500(20")	220	50/60	1400	1100	165	450/500	73
CTF-60	600(24")	220	50/60	1400	1800	240	480/540	77
CTF-70	700(28")	220	50/60	1400	2200	310	580/650	79
CTF-80	800(32")	220	50/60	960	2200	420	500/550	74
